21.	Admission period	January to March

This evaluation of the student is a continuous process. The assessment is done both at the beginning and during the instructional process. The many techniques used in the process cover placement and formative evaluation.

Assessments of the students' performance are done frequently every month as Formative assessments and also at the end of the term as summative assessment.

The comprehensive part of the CCE focuses on the all-round development of the child's personality. The assessment is done in the fields of scholastic, co-scholastic, life-skills, co-curricular, attitudes and values. The assessment is both formal and informal and is done periodically using multiple techniques of evaluation. The aim is to make the students blossom into responsible citizens, while nurturing their talents, life-skills and academic pursuits. Shreegugans School follows this method of evaluation for classes I to X.

Pupil-Teacher ratio: The School has an edge over others by having a pupil-teacher ratio of 1:15 at the primary level. Two teachers are appointed to every section till Std.I.

A Remedial Centre: The school has remedial Centre for the children to have specific learning difficulties. A special educator takes care of their needs.

Compulsory Games: Students have to take part in compulsory games. Special Training is imparted to children in Basketball game right from early stages.
